

ZACHARY MADDUX

Jacksonville, AL · (404) 805-3635

z19s96p@aol.com

My career objective is to bring a one-of-a-kind work ethic, positivity, knowledge, leadership and devotion. Not only have I brought these attributes to my workplace but have used them when volunteering in Nicaragua (2018) to plant 1000 trees with my team in hopes of helping diplomatic relations with the U.S. I received a Captain's Challenge Coin for my off-duty actions. I am a hardworking and determined individual with a wide array of experience from machinery operation to security, firearm control and data entry. I am a fast learner, mentally strong and proven level-headed under pressure. I have no doubts that I can be a valuable and reliable addition to your company.

EXPERIENCE

NOVEMBER 8, 2021-CURRENT

ARMED SECURITY GUARD, WALDEN SECURITY AT FORT MCCLELLAN

Check all forms of identification and authorization of every individual entering Fort McClellan. Log data entry for vendors and visitors.

Communicate with supervisors on a daily basis to ensure maximum security and guideline adherence. Maintain security clearance and protect sensitive information. Work a flexible schedule at multiple locations.

JUNE 6, 2017 – MARCH 12, 2021. HONORABLE DISCHARGE

MACHINERY TECHNICIAN, UNITED STATES COAST GUARD

Rank: MK3

Responsible for managing lower ranks (E2-E4).

Maintaining optimal machinery operation and performing maintenance on a variety of machinery from internal combustion engines (gas and diesel turbines) to environmental support systems (heating/ventilations/air conditioning), hydraulics, basic electricity, and areas of hazardous material recovery and control. Additionally, I have experience with data entry and government computer programs. Also responsible for maintaining inventory, health and sanitization for kitchen equipment and repair of base facilities. Regularly completed security rounds of base paying attention to identify fire, flooding and trespassing.

Achievements/Awards:

1. Commandant's Letter of Commendation for outstanding achievement.
2. Pistol Sharpshooter Ribbon.
3. Good Conduct Award for 3 years of service without any violation.
4. Captian's Challenge Coin for off-duty service.
5. Two Meritorious Team Commendation Awards.
6. Two Meritorious Unit Commendation Awards.
7. Armed Forces Service Metal.
8. Humanitarian Service Metal.

	EDUCATION	
	<p>DECEMBER 2018 MACHINERY TECHNICIAN CERTIFICATION, MK “A” SCHOOL 13 -week course in the U.S. Coast Guard. Learning advanced entry level machinery, electrical work, hydraulic systems, fire-fighting, soldering, damage repair and flooding control and more. In order to advance to finals week I had to pass a 100-question test on hydraulics and engine functionality. During finals week, I had to break down and overhaul a Detroit diesel engine. Additionally, required to complete base security during the duration of this course.</p>	
	<p>MAY 2015 ADVANCED DIPLOMA, RANBURNE HIGH SCHOOL</p>
